Dear Mr Wilkinson,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission for Works or Extension to a Dwelling

Development: Due to a leak being discovered from my balcony door a replacement door needs to be fitted along with some of the surrounding wall. While evaluating getting this done it was recommended to remove existing cladding (currently tiles) and replace with Hardie plank weather board. Available in many colours I would like to have it in Arctic White in order to match the sarking boards and rafters.
