Hello Michael

Further to our conversation I can agree to an extension of time to Friday 15th December. We really can't give WSCC any more time than this as we know they are going to continue to raise concerns / comments and the process will never end. Furthermore, once I have made the amended submission to day we can not be expected to make any more changes to the plans. So it will be up to Arun to determine as submitted.

The 15th will have to be seen as a drop dead date and if we don't have a decision by this time I will have no choice but to appeal on non-determination.

Kind Regards
Laura
