Dear Michael

I have just been informed that one of the approved bricks for LU/121/17/RES is no longer available - namely the Sutherland Blend by Edenhall (its production has been discontinued - which is very annoying).

So I need to agree a substitution with ADC.

The proposed substitution is Beaufort Blend, also by Edenhall. It is extremely similar to the Sutherland Blend in that it is a pale brick with pink and grey hues, so I am hoping you can agree to the substitution.

Attached is drawing 543-PL-SITE LAYOUT - 107 rev F, which shows the Beaufort Blend.

If you could come back to me asap on this matter it would be appreciated.

Kind Regards
Laura
