Thank you for your reply. Our solicitor has advised us to cancel our request for planning permission. Before doing so please can you confirm that we do not require retrospective planning permission to install doubled glazed windows at Flat 13 The Stetson St Catherine's Road Littlehampton. I've been advised that the property is not listed nor is it in a conservation area
If we do not need a Lawful Development Certificate will we be entitled to a full or part refund of the £209 fee we paid online?

[REDACTED]

Kind regards
Mike Weston
