We had 4 double glazed windows installed in Flat 13, The Stetson in June 2016. The installer Darren Longhurst provided us with a Certass Building Regulation Certificate and we received approval from the Freeholder to have this work carried out. We are now in the process of selling the flat and our solicitor has asked us to supply a copy of the planning consent. We did not get planning consent at that time because we were unaware that this was required. We have today spoken to the planning department and have been advised that we need to apply for a Lawful Development Certificate.

If the certificate is sought for a use, operation, or activity in breach of a condition or limitation, please specify the condition or limitation that has not been complied with:
