To Whom It May Concern,

I am trying to discharge conditions relating to 21 South Terrace which refers to the removal of a Fire escape back in 2012/13. This was removed a very long time ago but the associated conditions have not been removed. This has been highlighted by Solicitors as a stumbling block for the imminent sale of the property.

Please find an application attached. The building was painted and made good once the fire escape was removed. The building has since been decorated and repaired multiple times since the removal.

Should you wish to clarify any points please contact me on [REDACTED]

Kind regards,

Dave
