Dear Sir/Madam,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) -
Article 10**

Application No: LU/123/20/NMA
Site Address: Land south of Cornfield Close Littlehampton BN17 6LD
Description of works: Non-material amendment following the grant of reference LU/330/18/PL to extend hours of construction activities on site from 0600 to 2100 (Monday to Saturday) until 13 May 2021

Thank you for your internet representation made on 22nd May 2020 which has been recorded as an objection with the comments as follows:

OWPC27152

Although we live approx. 400 yds away, we do already notice the noise on the site generated by the machinery etc working there. To want to start at 6am and work through until 10pm is totally unacceptable especially as the sound will be even more noticeable during these extended hours when other background noise is reduced, ie. less traffic noise on A259 etc. They use the excuse of having to catch up with work lost due to Covid19 but in fact the site only stopped for a couple of weeks anyway so asking for these amendments for a year is somewhat excessive.

Your views as made above will be considered before the application is determined.
