Thank you for your internet representation made on 26th May 2020 which has been recorded as an objection with the comments as follows:

I feel during the summer that the noise and dust storm that I am injuring would be awful, please reduce the hours. I would not object during the winter as would not trying to sit in the garden. I might add there has been work going on there all through lockdown. So as this is for greed I do not feel bad in complaining.
