Dear Sir/Madam,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) -
Article 10**

Application No: LU/123/20/NMA
Site Address: Land south of Cornfield Close Littlehampton BN17 6LD
Description of works: Non-material amendment following the grant of reference LU/330/18/PL to extend hours of construction activities on site from 0600 to 2100 (Monday to Saturday) until 13 May 2021

Thank you for your internet representation made on 26th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27226

I am raising an objection to the proposal of extended working hours for this building site due to the following reasons and would respectfully ask you to consider them when making your decision.

My husband and I reside in a bungalow whose back garden is within the site, on the left hand side of the site entrance and therefore we are subject to the noise, dust and fumes from lorries etc entering and leaving all day. We are both retired and in our seventies and unfortunately my husband suffers from COPD, so we need to keep doors and windows closed on that side of the bungalow until after the site closes. Due to the COVID pandemic and Government guidelines, we also stay at home as much as possible, so the extension of working hours would impact very significantly on both of us.

Your views as made above will be considered before the application is determined.
