Dear Sir/Madam,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) -
Article 10**

Application No: LU/123/20/NMA
Site Address: Land south of Cornfield Close Littlehampton BN17 6LD
Description of works: Non-material amendment following the grant of reference LU/330/18/PL to extend hours of construction activities on site from 0600 to 2100 (Monday to Saturday) until 13 May 2021

Thank you for your internet representation made on 27th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27247

The application to extend these hours is totally unreasonable and unacceptable. Due to the pandemic at this present moment in time we are all confined to our homes and gardens, and are likely to be for the near future. We do not want to be sat in our gardens listening to the continual drone of engines and the banging and clanging of machinery from 6am until 9pm 6 days a week, plus the fact there is the added health hazard of the continuous clouds of dust drifting across our premises caused by the continuous movement of lorries entering and exiting the site. Even when lockdown is released we want to be able to enjoy our gardens on a Saturday without noise pollution and the health hazard.

We have also to contend with the widening of the A259 as well as the building of the new estate. We appreciate that the work has to be done but during normal working hours and not Saturdays.

We would appreciate that the local residents to this site be given some consideration in this matter.

Your views as made above will be considered before the application is determined.
