Dear Sir/Madam,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) -
Article 10**

Application No: LU/123/20/NMA
Site Address: Land south of Cornfield Close Littlehampton BN17 6LD
Description of works: Non-material amendment following the grant of reference LU/330/18/PL to extend hours of construction activities on site from 0600 to 2100 (Monday to Saturday) until 13 May 2021

Thank you for your internet representation made on 27th May 2020 which has been recorded as an objection with the comments as follows:

OWPC27263

I believe that the contractors at Cornfield close are applying to extend working hours, as a local resident I find this completely unacceptable, during this lockdown I have not only had to endure the need to stay at home but also the constant noise, dust and movement past my house of heavy plant machinery 8am to 5/6pm. Even when I am indoors windows have to be open and the amount of dust and fumes is affecting my health and wellbeing both mentally and physically, as a local resident I must protest strongly as I am not only being already bombarded with this building work at cornfield but by another housing estate being constructed adjacent to my property this means that whichever way the prevailing wind is blowing myself and my property are being showered with dust and noise. I understand the need for building works but please spare a thought for residents (ratepayers) who are already struggling with 8 to 11 hours of what feels like living on a building site any more would be absolutely unacceptable.
