

Technical drawing of a door frame assembly. The drawing shows a cross-section of the frame with dimensions in millimeters. The top opening is 840mm. The door height is 834mm. The frame has a total height of 950mm. The frame is composed of two main sections: a top section and a bottom section. The top section has a height of 159mm and a width of 136mm. The bottom section has a height of 136mm and a width of 136mm. The frame is shown with a 27mm gap between the door and the frame. The frame is shown with a 97mm gap between the door and the frame.

The diagram shows a rectangular race track. The top edge is divided into 5 equal segments by 4 vertical lines. Below the track, dimension lines indicate the width is 100 and the length is 500.
