Mr Cherriman,

Thank you for your email.

Can you please provide the reference number, which is on the yellow notice, so I can pass this onto the correct planning officer?

Thank you,

Mrs Johnson

Subject: Planning Application York Gardens.

Hello,

I am contacting you as I have recently seen a planning application notice attached to a street light at the north exit of York Gardens, Littlehampton which I am concerned about.

This application involves the demolition of three garages on the north west side of the exit from York Gardens in order to build a property or house of multiple occupancy which I am objecting to for a number of reasons.

Since I have resided here a similar request was granted on two separate occasions at the south exit of York Gardens onto Connaught Road which have considerably blighted the area as not only has it restricted the views I used to have but there are too many properties crammed into a small site. This has caused problems with rubbish in the sites car park which is often found littered along the drive way north and south of the properties and is constantly having to be cleared up by Arun council at cost to the taxpayer.

There is also a very real problem with car parking in this area as cars tend to park illegally (in front of my garage) or in the car park when they don't live here as well as York Road being choc a bloc with cars in an area which has a number of schools and the demolition of three garages which in my opinion are desperately needed in the area is only going to exacerbate this situation. It would be far better to renovate them and let them out to occupants living in the surrounding properties.

I would be grateful if this e-mail is passed to the intended department and that they contact me with an update on what is or isn't going to happen as since I first saw the application notice it has been removed so I am unable to give the reference no.

Yours Sincerely,

Paul Cherriman.
