Hi

I am emailing to let you know that when I completed the form for the above development I have just realised I made an error with the address connected to the rear of our property. I think I listed the address as 23 Gratwicke Drive when in fact it should be 21 Gratwicke Drive. I do apologise for this error (we are new to the area and I got a little confused on the scale map). Can this error be corrected? Please can you contact me to let me know what can be done? This is my correct email address and my phone number is 01903 386360. Sorry to add work to your case load.

Kind Regards

Michaela Hunt
