Dear Mr Foster

Thank you for your response.

I am unable to update you any further on the progress of the application at the present time, and will therefore bring your email to the attention of Mrs Gardner on her return to the office on the 27th August.

Dear Lisa

Further to your email requesting an extension of time on behalf of the case officer Ms Gardner, I have had the opportunity to discuss this with the applicant

At present there has been no indication that the application has been initially considered by the officer, which is of great concern given the timescales.

We would be agreeable to extension time if upon her return Ms Gardner could contact me directly to discuss the application.

This would then enable us to enter into a constructive dialogue regarding the proposals and work together towards a mutually acceptable scheme.

Whilst I appreciate that you are unable to agree to this open dialogue approach on behalf of the officer until we have confirmation of such we are unable to agree to the extension as requested.

I look forward to hearing from you.

Many thanks

Anthony Foster
