15th August 2012

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Double garage with utility - Resubmission of LU/45/12
8 Mantling Road Littlehampton

Thank you for your internet representation made on 15th August 2012 which has been recorded as **an objection** with the comments as follows:

I believe the proposal to be out of character and not for the benefit of the current occupiers; it is purely to gain outline planning for further, unwanted development by Regent Properties, (represented by Adrian Burrows on the paperwork) <http://www.regent-properties.co.uk/>. □

□

The plan of the current site is not correct. The current plans do not show the existing extension, (LU/386/73/B). This, I would assume, will be demolished? □

□

Outline planning was also refused: LU/492/79 □

□

The statement also incorrectly shows that an existing access will be used, but on the plans a new one has been put in place. If this were to happen, parking in Mantling Road would be reduced causing even more problems for residence and visitors. □

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and may publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
