Dear ,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

**Application for Planning Permission**

**Development:** We're asking permission to introduce a crossover (dropped kerb) outside Wick Hall. We currently have a crossover at one side of the car park, but this creates a dangerous situation as cars have to enter and exit the narrow car park through the same point. We already have an inward-facing gate at the other end of the car park and if we could introduce a crossover it would create a much safer car park, which is regularly used by numerous people within the community. It would also mean that cars exiting the car park are doing so further from the closest junction, which is about 25m south along the road, past the St Barnabas Charity shop.

It won't increase the amount of traffic moving out of the car park, but it will improve safety and on the pavement as well since we will be able to more clearly sign one gate as an entry point and one as an exit point.

**Location:** Wick Information Centre 76 Wick Street Littlehampton BN17 7JS

Thank you for your application submitted via the internet on 12th January 2022. It has been downloaded and will be checked for validity by the Technical Support Unit. It has been allocated the reference number LU/12/22/PL.

Once your application has been checked we will contact you again.

**This letter does not confirm validity of the application/documentation submitted.**

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**
