Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/130/20/PL
Site Address: 29 Pier Road Littlehampton BN17 5LW
Description of works: Retention of extraction system.

Thank you for your internet representation made on 16th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27800

I am delighted to see the Cafe being re energised and planning to open and whilst I don't wish to object or delay to that. I would object to the extract pipework as per the pictures coming out horizontally around garden level. This appears a larger extraction system than previously and I would have thought the system should kick vertical and thus take the cooking smells upward and out of the back garden areas of adjoining properties.

I am not an expert on how smelly these things get when at full capacity, but I would not object to a vertical extract system was deployed on this planning.

Your views as made above will be considered before the application is determined.
