Dear Neil,

Thank you for your email and I have now spoken to my client. I am happy to agree an extension of time until 4th October to enable the application to be considered at the October meeting.

Regards

Dawn

Mrs Appleton,

I am today getting to grips with this file and have begun writing a report. I believe a recommendation of approval should be made but the application could not be determined until DC Committee on 3 October 2018. Unfortunately we have just closed reports for the 5 September 2018 Committee.

Could I therefore request confirmation that you agree to an extension of time until 4 October so that a decision can be issued within the agreed time limits?

I apologise for these delays but I have been struggling to find time to deal with the small number of applications I have taken on to assist with staff shortages and have only just seen the comments from the Town Council which would mean that the application would need to go to Committee.

I will keep you updated when a report is completed.

Regards, Neil

Mrs Appleton

Apologies that I haven't been able to look at this sooner – I have been trying to help out with some applications around my other (not insignificant) work I will try and get this written up in the next 7 days.

Regards, Neil

Dear Neil,

It is now only a couple of weeks until a decision is due on this application and wondered whether you have formed a view yet?

[REDACTED] I give authority to deal directly with my client Mr Amirpashaie if necessary and he is copied in on this email.

If you have got any thoughts I would be grateful to receive them.

Regards

Dawn
