

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management
Procedure) (England) Order 2015
Application for Planning Permission
DECISION NOTICE

Application Ref: LU/131/18/PL

1 To Addressee

Appleton Town Planning
 31 Eastcourt Road
 Broadwater
 Worthing
 West Sussex
 BN14 7DA

2 Site Address

Castleview Nursery
 Old Mead Road

BN17 7PU

3 Description of Development

Erection of 2 No. new buildings for caravan/motorhome storage & self-storage in place of existing glasshouse & building approved under application LU/47/16/PL. This application is a Departure from the Development Plan.

In pursuance of their powers under this Act and related Orders and Regulations the Council **PERMIT** this development to be carried out in accordance with the application and plans and subject to the following conditions

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans:

17203/01aR5 Location & Block Plan
 17203/01 Existing Floor Plans, Elevations & Roof Plans
 17203/02R2 Proposed Floor Plans, Elevations & Roof Plans (South Building A)
 17203/02A Proposed Floor Plans, Elevations & Roof Plans (North Building B)

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with policy D DM4 of the Arun Local Plan.

- 3 Development shall not commence until full details of the proposed surface water drainage scheme have been submitted to and approved in writing by the Local Planning Authority.
- The design should follow the hierarchy of preference for different types of surface water drainage disposal systems as set out in Approved Document H of the Building Regulations, the recommendations of the SUDS Manual produced by CIRIA.
- Winter groundwater monitoring to establish highest annual ground water levels and Percolation testing to BRE 365, or similar approved, will be required to support the design of any Infiltration drainage.
- No building shall be occupied until the complete surface water drainage system serving the property has been implemented in accordance with the agreed details and the details so agreed shall be maintained in good working order in perpetuity.
- Reason : To ensure that the proposed development is satisfactorily drained in accordance with policies W DM2 and W DM3 of the Arun Local Plan. This is required to be a pre-commencement condition because it is necessary to implement the surface water drainage system prior to commencing any building works.
- 4 The existing and proposed screen planting on the boundaries of the site depicted in the submitted layout and landscaping plan shall be retained to a minimum height of 4m and shall not be damaged, uprooted, felled, topped or lopped at any time without the prior written consent of the Local Planning Authority.
- Reason: To prevent removal of screen planting and to thereby detrimental visual impact in accordance with policies LAN DM2 and C SP1 of the Arun District Local Plan
- 5 The development hereby approved is for self-storage and the storage of caravans and motorhomes within buildings. There shall be no external storage within the application site.
- Reason: To protect the visual amenity of the area in accordance with policy C SP1 of the Arun Local Plan.
- 6 The combined total number of caravans and motorhomes stored at the site within the buildings hereby approved shall not exceed 32 at any time without the permission of the Local Planning Authority to an application for planning permission on that behalf.
- Reason: To prevent an uncontrolled intensification of the use in the interests of visual amenity and highway safety and to prevent detrimental impact upon the amenity of nearby residents as a consequence of noise in accordance with policy C SP1 Arun District Local Plan.

7

If, during development, contamination not previously identified is found to be present at the site then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until the developer has submitted, and obtained written approval from the Local Planning Authority for, an amendment to the remediation strategy detailing how this unsuspected contamination shall be dealt with.

Reason: To ensure that the development complies with approved details in the interests of protection of the environment and prevention of harm to human health in accordance with policy QE DM4 of the Arun Local Plan.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Neil Crowther
Group Head of Planning

4 October 2018

Arun District Council
The Arun Civic Centre
Maltravers Road
Littlehampton
West Sussex BN17 5LF

IT IS IMPORTANT THAT YOU READ THE NOTES ATTACHED TO THIS DOCUMENT

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated).

This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
