Good morning

Following your letter dated 2nd May 2019, Please find the responses to your queries.

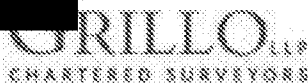

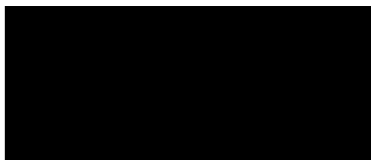

- I can confirm that the building is not to be demolished.
- Please see the amended description – External repairs to the fabric of the building. Upgrading of internal elements and the relocation of boiler flue.
- A plan with descriptions has been attached above. With regard to external works, only repairs and redecoration are to be undertaken, with the external appearance remaining the same. The boiler is to be upgraded and relocated and the flue reposition to exit through the roof, as the current position does not comply with Building Regulations.

I trust that the above is sufficient to progress the application, but should you require further information, please do not hesitate to get in touch.

Kind regards
