Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/131/20/PL
Site Address: Rear of 15 South Terrace Littlehampton BN17 5NZ
Description of works: Creation of a holiday cottage by demolishing garage & extending workshop. This application affects the character & appearance of the Littlehampton Sea Front Conservation Area & may affect the setting of listed buildings. This application is not CIL Liable as all other development (Zero Rated).

Thank you for your internet representation made on 3rd July 2020 which has been recorded as an objection with the comments as follows:

OWPC28192

I understand on 21st August 1975, 13 - 15, South Terrace was granted Grade II listed building status.

I have had the time to walk around the area and I am absolutely appalled that someone should even consider this application.

Western Road has many Regency buildings and is a conservation area which is already over-developed. The parking situation is impossible. However, I do have a very close friend who lives at 24 Western Road, Littlehampton. Her cottage is a listed property and in the past she has applied for double glazed windows which was refused so maintains her beautiful cottage as it originally was intended. The Devil's Chapel actually backs onto her back garden, as does the garage. Any development of these buildings will affect her light and her whole mental wellbeing and it is totally unacceptable that a modern holiday cottage should be built there. This is something merely for a commercial business.

I understand this application is for planning consent for building works. But of course, after that there would have to be planning and consent for main services. We have been informed by West Sussex County Council that that would not be possible.

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.
