Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/131/20/PL
Site Address: Rear of 15 South Terrace Littlehampton BN17 5NZ
Description of works: Creation of a holiday cottage by demolishing garage & extending workshop. This application affects the character & appearance of the Littlehampton Sea Front Conservation Area & may affect the setting of listed buildings. This application is not CIL Liable as all other development (Zero Rated).

Thank you for your internet representation made on 8th July 2020 which has been recorded as an objection with the comments as follows:

OWPC28294

I agree with all the objections already made:-

Vehicle access is already very difficult in South Passage and this would be added to by seasonal holiday makers and particularly any parking of cars (which would also affect Western Road).

This is an important heritage area with listed buildings and efforts are being made to protect and enhance it - a part modern holiday cottage is out of keeping with it. If permission was given then it is important that the old stone walls of the building are retained.

There is likely to be increased noise and disruption from temporary holiday makers especially as it is likely to be unregulated - plus it is in very close proximity to buildings on Western Road.

The wood burner potentially causes pollution in the area.

If this was to be used as a workshop/studio for a local crafts person I would not object.

Your views as made above will be considered before the application is determined.
