Dear Mrs Gardner

Thank you for your letter (copy attached for bcc recipient)

As you know (see my e mail dated 2 July 2019 timed at my client lodged an appeal against your councils failure to determine this application within the statutory determination period yesterday (2 July 2019 timed at 2.04 pm) under appeal reference APP/C3810/W/19/3232378 together with an application for his costs and the issue you now belatedly raise is now a matter for that appeal process (should you choose to defend that appeal) and I do not intend to engage in any correspondence outside of that appeal process. However I will forward and add the letter and this response to PINS and ask that it is added to the correspondence referred to in the costs application made Please place your letter and this response on your file.
