Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/134/21/PL
Site Address: The Farm 39 East Street Littlehampton BN17 6AU
Description of works: Subdivision of a single listed building into 2 No. separate dwellings & essential roof strengthening work. This site may affect the setting of listed buildings, affects the character & appearance of the East Street Conservation Area & is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 28th May 2021 which has been recorded as no objection with the comments as follows:

OWPC36843

This is a magnificent listed building in the heart of Littlehampton demonstrating many original features & construction techniques. It is not however owned by a museum but in private hands and relies on them keeping it in good condition. The building has evolved in many ways over the centuries, and providing the project is closely overseen by the conservation officer, the proposal continues that evolution but whilst improving the economic viability and incentive to look after the building. Decision should be guided by the conservation officer but no objection in principle.

Your views as made above will be considered before the application is determined.
