Mrs A Gardner

24th May 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application under Regulation 3 of the Town & Country Planning (General Regulations)
1992 for new concrete skate park with 4 No. floodlighting & new parkour training facility.
This application is a Departure from the Development Plan.
Littlehampton Skate Park Sea Road Littlehampton

Thank you for your internet representation made on 23rd May 2019 which has been recorded
as '**an objection**' with the comments as follows:

The trustees of LHRA would like it to be known that in the last two years we have had numerous problems with youths coming from the existing skateboard area and placing logs and or trying to jump on the back of trains as they pass what is known as skaters crossing. We have had to make several emergency stops and it has only been the professionalism of the drivers and guards that nobody has been injured. The plans show the proposed new area to be adjacent to the hedge with the railway just the other side. In order to protect the public and our volunteers we would like confirmation that the area will be secured with a high fence and the existing Un official crossing removed

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no

further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
