Dear Mr. Crowther,

REF: LU/136/19/PL

We write to object to the above planning proposal regarding the 'new' skateboard park and floodlights, and to express our concerns over the impact on the immediate vicinity.

Whilst we accept that the existing skatepark is a well used and popular facility, the proposed extension, and addition of floodlights are not in keeping with the location which is close to quiet residential areas.

We already experience noise at times from the skatepark, but the expansion of the site and addition of lighting, would inevitably have an adverse effect on our home, as well as those of our neighbours and other residents in the surrounding area.

We trust the objection will be given due consideration, and would appreciate your feedback.

Yours sincerely,

Sue Allen & John Jefferson
