Hi Anita,

Please see attached the details that we have on the floodlights. If you need any further information I can request this from the contractor.

Many thanks
Ros

Hi Ros,

I have started looking through the application. There are no details of the flood lights as far as I can see. Do you have any?

The description states there are 4 in number. How high are they and where are they proposed to be sited? I can condition final details, but it would be helpful to have a bit more information at this stage.

Regards

Anita
