Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/136/21/PL
Site Address: Mewsbrook House 59 East Street Littlehampton BN17 6AU
Description of works: Second & third storey extensions to existing care home to provide 14 No. new residential care rooms. This application may affect the setting of listed building, may affect the character & appearance of the East Street Conservation Area & is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 14th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37426

I'm submitting an objection for two reasons. First, the lack of detail and explanation in the Heritage and Design and Access Statement which fails to consider the impact on the East Street Conservation area at all. Second, the impact of the extensions height wise on the Western elevation on the rear gardens of properties on the northern side of East Street. It seems to me there is scope for upward extension on the eastern and southern elevations but the proposals as submitted do not take into account the sites orientation.

Your views as made above will be considered before the application is determined.
