Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/136/22/HH
Site Address: 12 Reef Close Littlehampton BN17 6QG
Description of works: Two storey side extension and single storey side extension with alterations to fenestration and demolition of attached garage.

Thank you for your internet representation made on 9th June 2022 which has been recorded as an objection with the comments as follows:

OWPC48021

We submit our second objection to these proposed extensions which is that they will be detrimental to the character and appearance of Reef Close. The original concept and design for this area was to maximise the openness between the detached houses whereas the double storey extension creates a solid, more crowded appearance.

Building work has already started which confirms our original concerns regarding the scale and overdevelopment of this property, which is not in keeping with the other detached properties.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
