Dear Ms Willard,

I hope you had a nice weekend. Thank you for your below emails allowing the committee to review their comment following concerns being addressed by the application.

Subject to the revised Planning Statement you previously shared superseding the one currently listed within the application, the committee's revised comment is as follows:

No Objection: Littlehampton Town Council's Planning and Transportation committee have reviewed and amended their response to LU/137/26/PL to 'no objection' following concerns raised regarding space standards. These have been addressed and corrected in the application's updated planning statement. Support is maintained for the ground floor commercial units which align with aims and objectives of our Town Centre Strategy.

I'm happy to resubmit our comment on the planning portal if that helps? If you require any further information, please do not hesitate to ask.

Many thanks and kind regards,
