Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/13/21/PL
Site Address: 125 Bayford Road Littlehampton BN17 5HW
Description of works: Change of use of existing single dwellinghouse (C3) to an 8-bedroom House in Multiple Occupation (Sui Generis).

Thank you for your internet representation made on 27th January 2021 which has been recorded as an objection with the comments as follows:

OWPC33266

Bayford road is normally full of parked cars which over spills onto Irvine road next to it. So we have a problem with parking even in the winter. Therefore another multi person dwelling with potentially more vehicles coming to find parking in this road is not acceptable. There is a high level of drug use in this area which is known to the police. Having more residents in this road will add to the local footfall which will exacerbate policeing locally. Also finding registration with a doctor locally is very difficult as there is not enough provision in this area. There is also a problem with extra people trying to find employment in this area as especially due to covid the amount of job opportunities has significantly fallen. Not a correct or sensible suggestion to allow a multiple person dwelling to be agreed to in this particular road. Totally not acceptable.

Your views as made above will be considered before the application is determined.
