STRUCTURAL + DRAINAGE STATEMENT

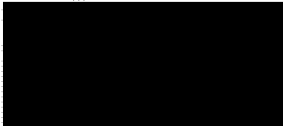

To whom it may concern,

Ref: LU/140/17/PL

I am writing in relation to the planning application we have submitted to confirm that we have not made nor will we be making any structural changes to Unit 9 Minster Court.

All foul water from unit 9 goes into the Main drainage & the car park has drainage gulley's throughout to remove the surface water.

Your Sincerely

Steve Legg

Unit 9 Minster Court Business Park, Courtwick Lane,
Littlehampton, West Sussex, BN17 7RN
