Dear Anita,

Please find below the email from CBRE on behalf of the Landlord & attached the agreed parking plan. Andrew spoke with my son Tom some time ago to ask if we would agree to an extension to the 18th October 2017.

Andrew requested we send all relevant information regarding the parking agreement with the Landlord etc, so he could forward onto the Highways Department. He was hoping that if the Highways were happy with the details supplied this application could be dealt with in house before the 18th October.

Regards
Steve

Dear Tom,

As per our telephone conversation this morning please see the area on the attached plan showing the spaces highlighted in red (spaces 18 to 32 and 106 to 110) where we would like you to park your vehicles going forward.

Spaces 28 to 32 and 110 to 116 will be permitted as per the terms of the lease and spaces 18 to 27 will be on a licence basis, terminated by either party on one months' prior written notice at a cost of £800 per car parking space.

Please confirm your acceptance and I will have the licence agreement prepared by my client's solicitor.

I await to hear from you.

Kind regards,

Gavin
