Dear Anita,

Please find attached the parking plan as requested, you will see the 20 parking spaces allocated marked in red ink 18-32 & 106-110 under licence from our Landlord. I have attached a copy of our Car Parking Lease.

We originally used parking bays 94-98 & 100-104, but the Landlord requested we now use the spaces set out above.

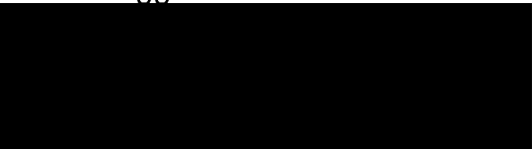

Inside Unit 9 we currently have 18 vans & a further 7 spaces in front of Unit 9 on our parking area.

All Units on the site have a share of the remaining parking spaces for visitors/customers etc.

Any further assistance you may require, please feel free to contact me.
