Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/141/25/PL
Site Address: 57 River Road Littlehampton BN17 5DD
Description of works: Partial demolition of number 57 River Road, change of use & re-development to provide a flatted development comprising 9 No. apartments with private amenity space, parking & cycle storage, including the partial demolition of the adjacent boundary wall to provide a new pedestrian access & the creation of a floating pontoon with resident morning spaces (resubmission following LU/251/21/PL). This application affects the character & appearance of the Littlehampton River Road Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 2nd September 2025 which has been recorded as an objection with the comments as follows:

OWPC78451

I wish to object to this proposed development. Firstly the building that is to partly be demolished is a historic landmark one of the remaining few in the area as such should be saved not developed into another eyesore like the adjacent one which has been nothing but a problem since it was erected.

As previously mentioned I have seen foxes playing on the land and bats in the area.

My flat, 35, directly faces one of the proposed balconies and the car park entrance/exit. The balcony would be an invasion of my privacy not to mention my right to light. As for the car park entrance/exit there will be more noise/pollution in an already busy area which now has two way traffic from cyclist going one way cars the other. Also visitors parking in River Road visiting the proposed building would cause more congestion which is already a problem at times for us exiting Pharos Quay.

Your views as made above will be considered before the application is determined.
