Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/141/25/PL
Site Address: 57 River Road Littlehampton BN17 5DD
Description of works: Partial demolition of number 57 River Road, change of use & re-development to provide a flatted development comprising 9 No. apartments with private amenity space, parking & cycle storage, including the partial demolition of the adjacent boundary wall to provide a new pedestrian access & the creation of a floating pontoon with resident morning spaces (resubmission following LU/251/21/PL). This application affects the character & appearance of the Littlehampton River Road Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 8th September 2025 which has been recorded as an objection with the comments as follows:

OWPC78681

As the owner of 22 Pharos Quay I object very strongly to the proposed development on the following grounds:

It will further destroy the character of the area by turning it into a concrete jungle through over-development.

It will further destroy the Victorian legacy of the old buildings being demolished. Are English Heritage aware of these proposals?

It will block sunlight, for much of the day, from reaching Pharos Quay flats which are in close proximity opposite .

River Road will become more of a wind tunnel than it is already. The incidence of roof damage from storms and gales to the Pharos Quay block opposite has increased dramatically since the first phase of this development was built. If this development goes ahead then Pharos Quay will likely suffer far more roof damage than previously from the wind funnelling up River Road. This damage has already resulted in higher insurance premiums which may become completely prohibitive in future.

Loss of privacy - flats will be looking into each other's rooms as they are so close across the road.

The severe parking problems in the area will be exacerbated.

The selfish and greedy developer has taken no cognisance of the problems this development will cause existing homeowners in the area with this excessive scheme.

Your views as made above will be considered before the application is determined.
