Hi Anita

No problem these things happen. We can agree to the extension of time however if their response does come back early we would appreciate if you could push it through before the extension date.

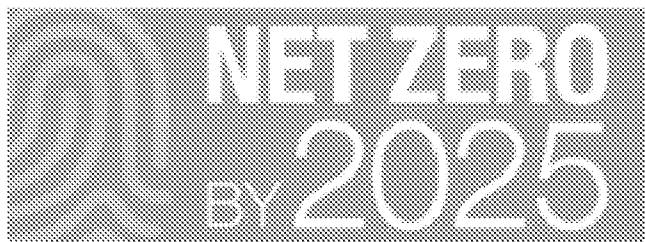

Kind regards,

Katie Gilbert BSc (Hons) MSc MRTPI

Dear Katie,

I have only just realised when looking through the above application that the consultation to Environment Agency hadn't generated properly. I have consulted them today, but their response will obviously be delayed. They will require up to 21 days to respond so I would appreciate your agreement to an extension of time on the application until 07-07-2021. I apologise for the error and delay.

Regards

Anita Gardner
