Hi Anita

We can agree the extension of time for a further week until 14/07/2021. If there is anything you can do to push this through sooner it would be much appreciated as if we haven't got a decision notice soon we may have issues with handovers.

Kind regards,

Katie Gilbert BSc (Hons) MSc MRTPI

Subject: LU/144/21/DOC Land at Cornfield Close, Littlehampton

Hi Katie,

I have speaking been with the Environment Agency today and they have asked for more time to respond to the consultation. They have provided a response to LU/191/21/DOC which they were consulted on 12 days later after LU/144/21/DOC.

They are sorry for the confusion. They hadn't noticed the difference in reference numbers.

LU/144/21/DOC is with their groundwater section but not completed yet. They have been dealing with an ongoing pollution incident which has had to take priority so they cannot give a specific date when it'll be completed but hopefully will be very soon. They apologise for the inconvenience but have asked for an extension of time to respond. I am sorry to ask you again, but if could you please agree to a further week extension until 14-07-2021 it would be really appreciated.

Regards

Anita
