Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/149/20/PL
Site Address: Littlehampton Wave Sea Road Littlehampton BN16 2NA
Description of works: Installation of a 4m high timber sculpture shaped in the form of 3 No. waves, fixed to a concrete base. This application is not CIL Liable (Zero Rated) as 'all other development'.

Thank you for your internet representation made on 3rd July 2020 which has been recorded as an objection with the comments as follows:

OWPC28204

Public art should add value not worsen the view. The photo looks like 3 £ signs rather than waves. Waves are already a feature of our natural landscape and do not need replicating. I would suggest the landscaped area in front of the building is an appropriate vista fronting the new building and it does not need a sculpture at all. Certainly not one of such poor quality as suggested in the photo.

Your views as made above will be considered before the application is determined.
