Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/149/20/PL
Site Address: Littlehampton Wave Sea Road Littlehampton BN16 2NA
Description of works: Installation of a 4m high timber sculpture shaped in the form of 3 No. waves, fixed to a concrete base. This application is not CIL Liable (Zero Rated) as 'all other development'.

Thank you for your internet representation made on 9th July 2020 which has been recorded as an objection with the comments as follows:

OWPC28337

The structure proposed, being made of wood, would degrade so close to the sea and require significant ongoing maintenance over time. The cost of this would fall to the ratepayers. Also a wooden structure is not as robust against vandalism as a metal structure would be.

The proposed structure is not sympathetic to the surroundings. It looks like 3 " £" signs rather than the waves it was supposed to highlight to passers by. I propose that a selection of designs be put out to ratepayers for consideration.

Your views as made above will be considered before the application is determined.
