Dear Sir/Madam,

I wish to complain most profusely about the planning application for a further extension.

Why was this not done on the Original application, and why has further sprawling of this blot on the landscape been allowed.

Certainly no further developement should be allowed. The area has become an eyesore and causes congestion at this point of the Esplanade for Pedestrians/Runners/Mobility scooters and the like.

It was made worse last weekend when trucks and vans and motorbikes were parked along side of it on the actual footpath, rather than using the carparks opposite.

Thanking you Mr P.Borrington.
