Subject: RE: LU/14/22/DOC 1 Arcade Road

LU/14/22/DOC

1 Arcade Road Littlehampton BN17 5AP

Approval of details reserved by condition imposed under LU/310/18/PL relating to condition 3-schedule of materials and finishes.

I have visited the building concerned and have noticed that works have commenced. This includes the new cladding on one of the side elevations. I have noticed that the cladding is being installed on horizontal basis

as opposed to vertical one as identified in the approved plans. I was under the impression that the new boarding would be more appropriate for the context. Whilst the use of slate seems to be acceptable, as a conservation officer I would prefer for the cladding to be timber as opposed to modern cementitious materials.
