Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Proposed removal of existing dwelling & erection of a terrace of 3 No. 2 bed houses with parking.

57 Stanley Road Littlehampton

Thank you for your internet representation made on 17th August 2014 which has been recorded as '**an objection**' with the comments as follows:

We write in connection with the above planning application. We have examined the proposed plans and wish to object strongly to the development of these houses in this location.

We have recently moved to the area and the proposed houses will overlook our property, this will lead to a loss of privacy and will certainly impact on the peaceful enjoyment of our new home and garden.

We have noticed the development will be located on the sharp bend of Stanley Road, this is dangerous and will cause more problems due to the lack of parking, as the majority of households already park on the road. Stanley Road is a residential road and would not be able to handle excess vehicle movements.

We have heard there is a proposed footpath, we strongly object for the interests of security.

Therefore, we ask Arun District Council to refuse this planning application.

If you have any queries please do not hesitate to contact us.

Kind Regards

Mr Groves & Miss Taunton

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange

for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
