Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: LU/151/21/PL
Site Address: 25 River Road Littlehampton BN17 5BZ
Description of works: Demolition of existing car garage and the erection of 2 no. two-storey residential buildings comprising 5 no. flats with associated works. This site affects the character & appearance of the Littlehampton River Road Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 16th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39625

Further to our previous objections and after taking advise

My property was built circa 1895

There is not a basement and is built of two foot thick hair and plaster render over brick and flint walls

With the addition of the underground parking being introduced, we are worried that the excavation works, that are less than half a metre away from our property at the closest point and under 1 m at the farthest point, will cause damage/ movement to our property -

What reassurance will the developers give us that no damage will occur ?

Your views as made above will be considered before the application is determined.
