Dear Liz Coney, thank you for your email. I can confirm that we accept your request to extend the date by which you will determine this application to 13/09/2019 as this is the only practical option.

I see from the website that several key consultants have still not yet responded to you, I am concerned that when they do there could be no time left to respond to any adverse comment if any were to be made.

Please let me know as soon as any more responses are received as it might take valuable time before these appear on the web site.

Kind regards, Graham Nicolls
