Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (General Permitted Development) Order 2015 Schedule 2, Part 16

Application No: LU/154/22/TEL
Site Address: Land at junction of Hollyhock Way and Worthing Road Littlehampton BN17 6SH
Description of works: Prior Notification under Schedule 2 Part 16 Class A for a proposed 5G telecoms installation: H3G Phase 8 high street pole c/w wrap-around cabinet: and 3 further additional equipment cabinets.

Thank you for your internet representation made on 21st July 2022 which has been recorded as an objection with the comments as follows:

OWPC49279

This building of the mast, which is very close to our house will devalue our property as it fully overlooks our garden and property.

Also it could affect us with our mortgage and sale of our property as many require a property to be over 75m from a telephone mast and our property would be less than 75m.

It is also an eyesore and as stated above overlooks our garden and property.

I am also concerned that the WHO has advised that telephone masts could be carcinogenic which is worrying when this is built near a large housing estate.

Could this be built on an alternative site put on the body shop roundabout in Littlehampton; which is away from houses or in an industrial estate such as the one situated in Rustington; as there are no houses that would be affected.

Your views as made above will be considered before the application is determined.
