FAO Anita Gardner - Principle Planner

30th January 2013

Compliance with Condition 5 of LU/363/09
Outline application for 1 no. 3 Bedroom dwelling
44 North Street, Littlehampton, BN17 6JH

Dear Madam,

Following on from my letter dated the 22nd of this month applying for a new planning permission to replace the extent planning permission LU/363/09. As promised, with regard to condition 5 imposed at the request of Southern Water on the permission relating to the supposed sewer, further investigation on site has enabled me to submit a Discharge of Condition Application.

Please find the enclosed completed Application Form, Location Plan, Photographic Information and Evidence & Statement Sheet with three additional copies of each together with my cheque in the sum of £97.00.

You mentioned over the phone this morning that it might be possible to ^{discharge} ~~remove~~ Condition 5 before the extent permission is issued. In order to facilitate this you said it would be appropriate to pass one or more of the copies to those dealing with this, it would be of appreciated if this could be achieved.

Yours sincerely,

Ronald Child
