Hi Daun,

My mistake, the AC units are internal, but the vents are external (which is what you can see on the plan). Please can the description be changed to this:

External alterations to include 2 No. fire security doors to replace existing access doors on front & rear elevations, high level vents to the rear and side elevation, proposed mirror film & protection bars on existing windows. This site is in CIL Zone 4 (Zero Rated) as other development.

Kind regards,

Thanks Ed.

Concerning the AC units on the side elevation, did I miss them or are they not shown on the plan submitted?

Thanks
Daun
