Andrew,

As promised, please find enclosed the legal opinion we have obtained from Andrew Parkinson at Landmark Chambers in response to the Council's request to seek S.106 contributions for the pending planning application at Toddington Lane ref: LU/162/17/PL.

In light of this legal opinion, we trust that the Council will no longer be seeking the S.106 contributions. Please provide your confirmation of this by return.

Kind regards
Brittany
